"It's very hard in the beginning to understand that the whole idea is not to beat the other runners. Eventually you learn that the competition is against **the little voice inside your head** that wants you to quit." -- George Sheehan

## **Monta Vista Cross Country 2021**

The Fine Print: Some Important Notes About Attitude and Commitment

Monta Vista Cross Country is a <u>Team</u>, it is not a club We want to have fun and learn to be gritty and improve...and we do that all together.

Your coaches and teammates care more about how committed you have chosen to be to your team and your own improvement than we care about the genetic gifts you inherited. Anyone has the ability to decide to work hard, improve, and be the best they can be. No one said this would be easy—discipline and hard work will pay off and you will see improvements. Your individual choices and actions will determine your personal results, and will have an impact on the entire team. Athletes will not be cut for athletic performance, however athletes will be cut for lack of effort or for poor attitudes. Half-hearted effort, starting the season without any training to prepare for regular running, lateness or unexcused absences, cutting out early, being a distraction and similar behavior does not help the athlete or the team. We want you to be part of an activity that you care about, and activity where you will commit your best effort! We hope that you care about cross country enough to make this your most important extracurricular this Fall, but if there is something else more important to you let's do that!

## **Earning PE or Elective Credit**

PE credit is school credit; if you want credit for XC you should think of XC as a class. You would not blow off a class and expect to pass. In order to earn PE Credit, you have the following requirements.

- You may miss no more than 5 practices during the season. Practice starts August 9. We will take attendance every day.
  - o It is an absence if you are late to practice and we have left on a run without you.
  - It is an absence if you leave before practice ends (for example, if you are leave before the core
    work at the end of practice, or you are not on the run with us).
  - You may miss a practice if you are sick and you do not attend school that day due to sickness. If you attend school, we expect you at practice that day.
  - You may not miss a team competition unless excused: Watermelon, Lagoon Valley, SCVAL 1, SCVAL 2, SCVAL 3, Artichoke, Lynbrook Invite, SCVALs, or a meet that replaces one of these. You may miss a meet if you are sick and do not attend school that day due to sickness (or for a Saturday meet, if you do not attend school either the Friday before or the Monday after). If you are at school, come and race or support your teammates; if you are at school, we expect to see you at the meet.
- If you are injured and will not be able to run for an extended period:
  - Bring a doctor's written note explaining the injury and the rehabilitation proscribed.
  - You must still come to practice; you can exercise, help with team tasks or do homework. (You
    may miss practice if you have physical therapy or training scheduled for your injury during
    practice, and have provided coaches with contact information for your therapist).
  - o You must still come to meets; you can cheer on your teammates.

If you cannot meet these attendance requirements, at the coaches' discretion we may allow you to be part of the team however you will not earn PE credit. Let us know up front if you do not intend to try to earn PE credit so we can discuss your level of commitment up front; talking up front is mature.

## **Excused Absences**

An absence may be excused at the coaches' discretion. The request is more likely to be granted if:

- 1. You have a chance for a unique opportunity ("I have a chance to interview Michelle Obama".).
- 2. You are part of an important family event ("My grandmother having her 80<sup>th</sup> birthday party.")
- 3. A medical appointment (bring paperwork afterwards).
- 4. The request is for something unique (not test review) and valuable academically/educationally.
- 5. You make the request in writing more than two weeks before the event.

There will not be an excused absence for an after school class or club you sign up for, play a club sport, take a review session, you want to leave early on Friday for a weekend or similar things. You have 5 free absences to use for absences that are not coach approved, so use these days wisely! To request an excused absence, give a coach the request in writing; this request does not guarantee approval (we don't care how far ahead you request to miss practice for a seminar on Fortnite Tactics or the opening of the next Star Wars movie—we won't grant that! ①)

**Compete:** From the Latin root words, com-[together] and petere [seek]  $\rightarrow$  competere [strive together]
